7:15 pm meeting was called to order

Prior to the meeting Coach Specht and Coach Weibling met with the boy's and girl's parents to go over several important things regarding the upcoming season and what to expect this year.

Team Banquet position was open and Theresa Ahearn volunteered to fill the position.
Boy's Publicity position was open and Nolan Srader volunteered to fill the position.

There was a motion to approve the artwork for the center wall as you are entering the tunnel on the way to the gym. The total cost for the center wall at this time is \$2,000.00

The entire project will cost \$8,000 but we can add bits and pieces over time, so there should never be a strain on the budget.

The coaches at this time do not need any basketball equipment and feel that the athletes need to be inspired. This will create a legacy for all players past, present and future.

The motion was approved.

Treasurer's report:

balance \$13,971.78

TipOff

The team dinner after Tip Off will be held in the cafeteria at 8:15

Coaches will have the tickets for this event.

Team Pictures

Checking on photographer for this year

Tom Charles no longer has the contract with the school.

Either the school's photography club will be asked to take the team photos or Yarberry?

Date to be announced of course it will be after the teams have been selected.

Lady Hoopfest Nov 19-21

Thur and Friday games will begin at 8:00am and end at 9:00 pm

A sign up sheet will be emailed for volunteers to sign up.

A sheet was passed tonight so that new parents that have not been receiving emails will be informed of upcoming events.

Background checks need to be completed prior to volunteering and the link is on the hoopster booster website.

Website

It has become necessary to move the website and hosting on to a new web server.

Rodney Moss will be responsible for this project and will work with Coaches, Cheryl Rothbauer and others on the tournament committee so that we get all the input we can when we design the new go forward site.

Spirit wear is working hard and will have things ready to go by Tip Off.

Meeting for the Tip Off was held directly after this Club meeting.

Next month's meeting will be on 11-10-09

Meeting adjourned at 8:00 pm
